IAM
ORGANIZING

When you have a UNION in your workplace, it is more than a wage increase, improved benefits, and seniority. The IAM offers a variety of benefits to their members and their families. Our Disaster Relief, EAP, and Veterans Assistance Programs are just a few that are available.

On behalf of the IAM, we sincerely apologize to each of you that Pratt & Whitney thought it would be a good strategy to remind you that safety and quality matters when you already know you are a skilled workforce.

We would like to extend access to our EAP program for anyone at your site. At any time please do not hesitate to contact our EAP Coordinator, Sean Marcil, who is a IAM Union Member himself from the Pratt & Whitney, Hartford CT location:

Sean Marcil, LPC, LADC, CEAP, LAP-C
